

To Be A Sponsor

To Perspective Corporate Partners:

We are the largest professional social work organization in the state. We are extending an invitation to you to participate as a corporate partner for one of our many professional education workshops through out the year.

The Washington State Chapter of NASW has nearly 2400 members. They work in child welfare, public health, education, mental health, aging, and therapy. The profession encompasses dedicated professionals working in community organizing, private practice, and administration. The conference is the most significant opportunity we have to come together as a profession, to network with each other, to hear about the news as it affects us and our clients, and to participate in workshops that enhance our professional lives.

Corporate partners have a chance to be a part of this significant event in a highly visible way. This is the first time NASW Washington State Chapter has reached out to corporations to develop long lasting exclusive partnership relationships. Your support enables our organization to present the highest quality programs and to grow as a professional organization. Through your sponsorship of a speaker, awards banquet, luncheon, or break, we are able to use resources in a manner that is the most effective possible. Sponsors are recognized publicly during the conference, in the conference workbook, and on the website. We have enclosed information and an agreement form that describes the partnership levels and benefits you and your organization will receive for your generous support.

Your participation will enable the NASW Chapter to deliver the best social work conference ever. Your support enables us to improve the skills and knowledge social workers use to serve the communities and public in the State of Washington. Social workers were there answering the call to assist families of Hurricane Katrina. Social workers are there assisting the veterans returning home from the Gulf Conflicts. Social workers touch all of our lives and we are asking you to be a part and contribute to the profession of social work.

There are opportunities to be a sponsor of NASW Washington State Chapter Conferences and Workshops. The [Sponsorship Levels](#) are from a Supporter Partner, \$250 to Title Partnership, \$10,000.

Please complete the [Application Form](#) and return to the NASW Washington State Chapter!

Please contact Hoyt Suppes, at the NASW Washington office 206-709-7084 for more information. We look forward to seeing you at an education workshop this year.

Sincerely,

Hoyt C. Suppes
Executive Director
